10 **FINDINGS OF FACTS**

11 Based upon the pending Stipulation of the parties, and good cause appearing therefore,  
12 the Court finds that:

- 13 1. The parties have stipulated to continue the sentencing date;  
14 2. That counsel is not fully prepared for Sentencing; more time is needed to review  
15 the file documents as well as the Presentence Investigation Report;  
16 3. That the AUSA Brad Giles is agreeable to the continuance;  
17 4. That barring any unforeseen emergencies and/or circumstances, the Defendant  
18 will not seek any additional continuances of the sentencing in this matter;  
19 5. That the Defendant is aware of the need for a continuance in this matter and is  
20 agreeable to same;  
21 6. That denial of this request for a continuance could result in a miscarriage of  
22 justice; and  
23 7. That this is the second request for a continuance of the Sentencing date.  
24  
25  
26

CONCLUSIONS OF LAW

The ends of justice served by granting said continuance outweigh the best interests of the public and the defendant, since the failure to grant said continuance would be likely to result in a miscarriage of justice.
